Veuve **FOURNY & FILS**
une Famille, un Clos, un Premier Cru

EDITORIAL

At Veuve Fourny we produce Champagnes with their own distinctive style, a craftsmanship deserving of a specially devoted communication.

Because as with a House of Haute Couture, every year we work on a new collection, which has the Vertus terroir in common ! The grape varieties, Chardonnay or Pinot Noir are like the fabric, they allow for unique creations under the artistic impetus of Emmanuel.

So for each vintage we have imagined a workshop atmosphere which beautifully represents our desire to create handcrafted vintages, the signature style of our Champagnes.

We hope you enjoy the discovery and we wish you an excellent festive season.

Just like a craftsman, we are working with a noble material, the grape. We wanted to show you, with our new images, how we feel when developing each Champagne. Because each vintage has been developed for a moment of tasting. May it be intimate, rare, precious, gastronomic or convivial, you can find in our collection the Champagne that will meet your expectations.

To help us put into images, the style of each vintage, we chose to collaborate with a photographer Nicolas Demoulin. We are happy to unveil to you beforehand, four snapshots, inspiring photos and in perfect harmony with the spirit of our wines.

Veuve Fourny & Fils ★★

Charles and Emmanuel Fourny, fifth generation at the head of this small house in Vertus, have perfectly mastered their subject. There is, of course, the Clos du Faubourg Notre-Dame, monopoly of the family and pampered as it should be, but there is above all a range of wines with an ethereal style, precise and perfectly carved. We have already acclaimed a very good level of excellence for some years now. A house that wine enthusiasts owe it to themselves to discover.

The wines : the range is sedate, pleasing and refreshing in a champagne universe that is at times a little controlled, from the Grande Réserve Vertus to the tasty blanc de blancs. The Cuvée R is a success : the wine is taut, but without restraint and delicately coated. With the challenge of producing a brut nature, this blanc de blancs vintage is sedate, tasty with a very palatable aftertaste. As for the rosé, the Vinothèque vintage has a wonderful and very specific fullness, freshness and glossiness.

Veuve Fourny & Fils ★★★★★☆

Charles-Henry and Emmanuel Fourny have transformed this small family house, situated in Vertus since 1856, into a reliable and exciting place for lovers of distinctive champagnes that are winery and authentic. The vineyard possesses a rarity, an enclosed vineyard: that of Faubourg Notre-Dame, used for vintages only. Although Chardonnays widely dominate, Pinot Noir is not absent, partly vinified in oak barrels.

Without losing their mineral distinction that is the trademark of the house, the champagnes have acquired delicacy and elegance in their expression and definition. The house is now entering a new era of evolution!
