LE MONDE DES VINS from 13th December 2020

Veuve Fourny et Fils, “Blanc de blancs”

We were won over, from the first nose, by the candied orange which delicately titillates the nostrils. On the tongue, a sleek, fine and always delicate mouth, exhaling hints of grandmarnier and completing the appeal. A charming vintage, 100% chardonnay from Vertus, produced by a house whose continuous quality we salute.
