Champagne Fourny

N°17 - DECEMBER 2021

Local brothers!

The Veuve Fourny & Fils estate promotes the Vertus vineyards. A family business assigned to producing an excellent Premier Cru champagne! My brother Charles is happy to finally be able to travel again! He has visited Lithuania, Estonia, Sweden and USA. We have big customers there and the chance to work with renowned importers. Our objective abroad is not to increase our sales volumes, but to have the quality of our champagnes recognised...
