Immensely seductive, very complex aroma of first-class barrel ageing; starts clear and direct, develops great elegance and transparency despite the pleasant spice and well-mastered abundance; of impressive harmony and class.

Brut Nature

Very restrained, at first even a somewhat reductive aroma, which opens up only after prolonged aeration, then fruity notes, grapefruit and mirabelle plum; on the other hand offers great transparency and freshness in the mouth, with pronounced mineral notes and elegance; has class and character.
