### SPECIAL WINE OUR BEST SUMMER ROSÉS

---

*A selection of Rosé Cuvées for the summer, still or sparkling, from all over. Produced by great houses or more discreet winemakers, they all share being absolutely delicious*

*By Carla-Elle Rogosky*

#### *Veuve-Fourny, Rosé, brut*

*The tireless brothers Charles-Henry and Emmanuel, fifth generation of the family, continue to lead this house with remarkable dynamism.*

*First rosé cuvée, its generous palate makes it a seductive and elegant Champagne. A blend of three vintages, including 30% reserve wines aged in barrels, the wine reveals delicate aromas of red fruit jelly, with a spherical volume skillfully guided by a lively and vibrant effervescence.*
