*Champagne,  
the club of the extraordinary...*

*By Louis – Victor Charvet*

---

*Finesse, precision, balance, creativity, etc.  
While the champagnes we have chosen to present to you  
each have their own story to tell, they all share  
the same ability to reveal the immensity  
of Champagne's expertise. So many wonders brought  
together, it's beautiful...*

### **Veuve Fourny, Blanc de blancs Premier Cru**

*With citrus notes and a floral character on the nose,  
plenty of vitality and elegance on the palate, this fine,  
persistent wine impresses with its harmony.  
A chiselled finish with notes of chalk and bergamot.  
Unbeatable value for money...*
